The manufacturing date of this product is determined according to the following coding system:

The day of month is indicated in the left circle, and the month of year is indicated in the right circle. The last two digits of the year are embossed in the center of the month wheel (07 = 2007). To determine the date, find the number closest to the line connecting the two wheels. For example, the wheel above indicates a manufacturing date of 8-31-2007.

Testing was done in accordance with the Child Resistance requirements of ASTM 2517-05. Testing dates are:

Date	Location	Administering Laboratory
7/7/2007	Salt Lake City, UT	Child Related Research, Inc
12/2 – 12/4 2008	Kansas City, KS	Delve, Inc.
